Bartlesville Community Concerts Association Members and Patrons,

Although we are still progressing through Covid-19 vaccinations, we have hope for better days ahead. With expectations that we can gather safely again at the Community Center this Fall, we are pleased to announce our season schedule and membership activities.

We're back with 6 concerts for 2021-22 (our regular 5 plus The Everly Set we missed in 2020). Our ticket prices are the same as the 2019-2020 season. They are listed here and are inclusive of all fees, taxes and credit card charges. For new members we will offer 'Early-Bird' pricing until August 2nd.

	<u>Renewing Members</u>	<u>New Members (after August 2nd)</u>
Adult Row A-O	\$120	\$140
Adult Row P-X	\$65	\$75
Adult Row Y-Z	\$35	\$40

Minors accompanied by a paying adult are free. College students with a current student ID are free.

Our membership drive will start on June 1 and wind up on August 2nd. This is a little later than usual to allow for end of school activities as well as time for you to have confidence conditions will continue to improve into the Fall. Membership renewal forms, artists descriptions and enrollment information will be mailed to all current members at that time. The Community Center box office is now handling all member/ticket transactions on our behalf so ticket sales can be done by mail, in person or on-line.

We're really excited about this season's lineup. We start with an amazing presentation from the folk era by foundational artists from that time. Continuing with a modern look at classical music and then a wonderful tribute to the Andrews sisters. The Everly Set is followed by an exciting new singer from New Zealand. We wrap up with a much anticipated evening of jazz, New Orleans style. It should be a great celebration of the arts and we hope you can join us again.

Please take a look at the 'Performers' section of our website for more information. There you will find links to the artist's websites and videos. You'll be as excited as we are about the upcoming events!

Thank you for your past patronage and your perseverance during this very difficult year. Our expectation is that by Fall we'll all be safe to gather at our fantastic Community Center. Look for our season mailing in early June as well as periodic e-mail updates and messages on social media. It will be so good to see you all again on October 6th!
