AbbaCadabara
THU Apr 11, 2024 7:30PM

With the resurgence of the '70s, portrayed in part by the hugely popular live musical production, and now the world wide release of "Mamma Mia" – The Movie & "Mamma Mia 2", the music of ABBA is finding its way back into the hearts of those who lived it then and taking over the hearts of those who are experiencing it for the first time now. AbbaCadabara continues this momentum by performing the group's greatest hits in full ABBA fashion and flair. AbbaCadabara is a live music show authentic in music and dress that will leave you excited and melancholy... at the same time.
